RECOGNIZING WORLD WAR II AND KOREAN WAR VETERANS AR- THUR NIELSON

HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 20, 2005

Ms. GINNY BROWN-WAITE of Florida. Mr. Speaker, I rise today to recognize Arthur Neilson, a proud veteran who served during both World War II and the Korean War.

Within two days of the Japanese bombing of Pearl Harbor, Mr. Neilson volunteered to serve and defend America. During his eight years in the Marines, Mr. Neilson served in the Solomons, Bismarck Island and the Philippines.

Following his retirement from the Marines in 1949, Mr. Neilson once again answered the call to duty and volunteered to join the Army in 1950. Deployed to Korea, Mr. Neilson was wounded by North Korean soldiers during a gun battle. Hiding in a foxhole and covered only by a tarp, Mr. Neilson hid from the approaching North Korean troops and the massive snowfall that enveloped his hiding spot.

Suffering from the gunshot wound and frostbite, Mr. Neilson was eventually saved by passing American troops. For his sacrifices over his twenty-five year military career, some of Mr. Neilson's awards include the Purple Heart, three Bronze Stars and the Combat Infantryman Badge.

I know that Mr. Neilson's wife of more than 50 years, Joyce, and their four children are extremely proud of the career and accomplishments of Mr. Neilson. They have traveled throughout the world with him and have been at his side when he has been recognized with many awards for a job well done.

Mr. Speaker, true American heroes like Arthur Neilson should be honored for their service to our Nation and for their commitment and sacrifices in battle. They are truly part of America's greatest generation.

HONORING SAMANTHA "SAM" DIXON

HON. MARK UDALL

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 20, 2005

Mr. UDALL of Colorado. Mr. Speaker, I rise today to express my thanks and appreciation to Ms. Samantha "Sam" Dixon for her exemplary public service as Westminster City Councilwoman for the past sixteen years. Her tireless efforts have made a positive difference in the lives of many people in Westminster and the surrounding communities. Although she is stepping down from the Westminster City Council, I know that she will continue to stay involved in important community matters.

Ms. Dixon began serving on the Westminster City Council in 1989 and has served as mayor pro tem twice, from 1995 to 1997 and again from 2000 to 2002. In addition to serving on the City Council, she has been involved in a variety of community boards and councils. Among these include the Economic Development and Private Industry Councils of both Adams and Jefferson Counties, Arvada High School's Cooperative Occupational Education Program, Westminster Community Artist Series, Colorado Municipal League's Policy Committee, and the Westminster Human Services Board. She is also a founding member of Front Range Foundation for Educational Excellence and Westminster DARE Foundation. She served as a council liaison to the city Human Services Board and the City's representative to the Adams County Economic Development Board, which she chaired in 1997.

Ms. Dixon's passion for her community extends to important issues affecting the entire region, especially the cleanup and closure—and future use—of the former U.S. Department of Energy's (DOE) Rocky Flats nuclear weapons production facility west of Westminster. She has been an early and active voice on addressing the environmental issues at this site, and has been working with her colleagues in the surrounding communities to make sure the cleanup and closure of this site is thorough, safe and effective. The expertise she developed on this issue resulted in her being selected as the City's primary liaison on Rocky Flats issues. In that capacity, she has been a member of the Rocky Flats Coalition of Local Governments (Coalition) since its creation and also served on many predecessor community oversight groups and committees.

Her work at Rocky Flats led to her selection as Chair of the Energy Communities Alliance (Alliance) in 1999 after having served as vice-Chair from 1998 to 1999. The Alliance is composed of local governmental officials and others from across the country to advise DOE on the environmental aspects and other issues associated with nuclear weapons production facilities. Her work on the Alliance is a testament to her dedication to making sure that the public's health and safety is protected around these facilities.

Ms. Dixon also finds time to be a teacher-tutor with the Cooperative Occupational Education Program at Arvada High School. Her commitment to quality education can be observed through her participation in the Arvada Senior High School's Drop-Out Program and the Jefferson County District 1 Judicial Review Committee where she is a past chair.

Ms. Dixon is a well-recognized leader in the Westminster community. Her honors and awards include Jefferson County Mother of the Year, Metro North Chamber Volunteer of the Year and several marketing achievement awards.

Mr. Speaker, I ask my colleagues to join with me in expressing my gratitude to Ms. Dixon for her tireless work. Although her work and the issues she has championed are serious and important, she brought a refreshing, positive outlook that was infectious. Through all of this work—at times difficult and controversial—she maintained a sense of humor and humility in her interactions with others, without compromising professionalism or respect of others and their views. In a time when faith in our political system is faltering, we should recognize and acknowledge people like Ms. Dixon who have an innate devotion to enhancing the quality of life in our communities. I am proud to offer my appreciation for her work and wish her continued success in all her future endeavors.

NIVERSARY

HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 20, 2005

Mr. GENE GREEN of Texas. Mr. Speaker, I rise today to recognize one of the largest mutual aid organizations in the world, Channel Industries Mutual Aid, for their 50 years of service to Houston and the surrounding areas.

Formed in 1955 under the name of the "Houston Ship Channel Industries Disaster Aid Organization," in 1960 it became the non-profit corporation "Channel Industries Mutual Aid." CIMA provides disaster assistance not only to the Houston Ship Channel, but cooperates with mutual aid organizations all along the Texas and Louisiana coastlines, and has shared its response readiness procedures with international organizations such as the International Red Cross, and countries such as Germany, Switzerland, and Austria.

For its invaluable service to the City of Houston, the 29th District of Texas, the Gulf Coast, and the rest of the world, I extend CIMA my deepest gratitude, and my heartfelt congratulations on 50 years of excellence.

In addition to being a brilliant physician, Dr. Chokshi is an ardent student of the Bhagawad Gita, which inspired him to combine his devotion to the teachings of Lord Krishna with his cardiology expertise to help establish The Krishna Heart Institute in Ahmedabad, India. Since its opening in 2000, The Krishna Heart Institute has performed more than 4,000 open heart surgeries and 25,000 other life-saving procedures.

Dr. Chokshi is married to Dr. Vandana Chokshi, a radiologist with a subspecialty in Nuclear Medicine and Chief of both Radiology and Nuclear Medicine at Interfaith Medical Center. Drs. Atul and Vandana Chokshi have a daughter, Krishna.
